

And the 2008 Top Foxes are....

Top Fox.....

Katy Siro... Katy lead the Tri101 program this winter/spring. This consumed months of Katy's time from organizing the program... leading the classroom events, creating "find-a-fox", and following up with newbies, and offering newby specific training events leading up to High Cliff..... phew! Katy has exemplified the passage in our mission in...

"... enabling athletes of all ages and abilities on Northeastern Wisconsin to achieve their athletic goals in a stimulating, supportive, and sociable environment."

Amy Henning... Amy coordinated the USAT Challenge, and volunteered countless hours at various events, including a leading role in the Fox 5K, volunteering her leadership into the clothing committee, and being first to lend a hand at damn-near anything.

Becky Tomlinson... Becky has been our quiet and congenial backbone to our website, email blasts, and most anything we put on. Becky is the organizational mind that keeps us all together. I think she puts in a ton of thankless hours and she has been doing this for a few years now. Go Becky

On Tri Fox commented... "People like Becky want me to become a part of triathlon and a part of the tri foxes. Becky is about being the best that she can be and still having something left to wish her fellow Tri Foxes, other triathletes, and her competition to do their best. Plus, she's an Ironman!!!"

Tim Lahti as TOP FOX,,,,,he was a huge part of tri 101, and was INSTRUMENTAL in the FIRECRACKER all year long.

The club's most treasured memory of Tim this summer comes from the Fox Firecracker 5K, where Tim drove Gloria's massive trailer to Kaukauna at dawn to prepare for our historic event!

Tim looked like he was pulling the Trojan Horse. Indeed he was, and the Tri Foxes staged the best 5K the Fox Valley has seen yet with Tim's help!
