## REACH THE PEAK

Who needs "flat and fast"? There are plenty of those out there. This race aims to be something different, a yardstick to measure your hill skills by. Both 5K and 15K courses begin at Nordic Mountain Ski Resort in picturesque Mt. Morris and then wind through woods and around lakes, until the final challenge to reach the peak of Mt. Morris itself.

The story goes that the town of Mt. Morris was named in the late 1800's after two men agreed to decide the town name with a footrace to the top of the hill, the winner was a man named "Morris." In honor of the fastest male and female of the 15K race, the town of Mt. Morris will be renamed after them for the day! Can you picture your name on that sign...

Welcome To  
Mount \_\_\_\_\_  
Population 1,092

The race takes place on Saturday, October 18th starting at 9:30 am. A 1 mile kids run precedes the 5/15K at 9:00am.

Are you ready to accept the challenge? Then visit the Reach The Peak website at <http://www.reachthepeakrace.org/> to register and find out more information.

## TRI FOX SPIN SESSIONS

Once a month we will have a designated TRI FOX spin at the Appleton Y... starting on Friday night October 24th from 6-8pm. (you do not have to be a Y member)

Our very own and newly crowned Ironman, Don Keddell, will lead the first session and he promises to entertain AND kick your butt!

Please email Jan Heifner to reserve your bike, [jheifner@ymcafoxcities.org](mailto:jheifner@ymcafoxcities.org)  
Don't forget to wear your colors and we hear there might be a road trip for pizza afterwards!!!

(our web calendar will list the other dates...but plan for Nov 28th, Dec 19th, Jan 30th, Feb 20th, March ??)
